WE BEGIN WITH THE END IN SIGHT

Kehlan Pools® was established in the year 2009 in Muscat, Oman. Since 2009 we have designed & built more than 1000 signature swimming pools and hundreds of water features/fountains.

We design, build, and maintain swimming pools, fountains, and features that transform spaces into splendid ambiances that elicit emotion and delight the senses.

Crown Plaza, Muscat

OUR VALUES

- ▶ We focus on exceeding customer's expectations by blending innovation, art, and technology.
- ▶ We focus on end-to-end performance management to achieve an optimum balance of design excellence, functionality, quality, reliability, time, and cost.
- ▶ We practice a high level of persistence to ensure the products and services are delivered in compliance with the quality and safety standards and service level agreements.
- ▶ We value diversity and inclusion and strive for integrity, respect, equality, and transparency in all internal and external business processes.

OUR SERVICES

DESIGN

We design all types and sizes of swimming pools, fountains, and water features by blending the most modern design concepts with the latest technology and world-class quality and safety standards.

Anantara, Jabal Akhdar

OUR SERVICES

BUILD

Our expertise in structural construction, finishing, and MEP installation ensures the asset's quality and reliability. Our trust is built on value-stream processes, expertise, and performance management.

The Bank, Sifah

OUR SERVICES

AMC

Our CPO[®] Certified Pool Operations protect swimmers from the potential health and safety hazards at aquatic facilities. Our maintenance service includes total water quality management and asset management, with preventive and reactive maintenance services.

We manage pool accounts through an interactive CRM web portal that enables clients to monitor asset standards and service performance.

HEALTHWAVE

Mussanah
