WHO WE ARE

We are a design and build company dedicated to innovative excellence

PHILOSOPHY

At Taraneem Design's aim is to create a look of luxury, quality and refinement in all that we do. We have established a reputation for creating clean, classic, inviting interiors, gained by listening to our clients, and responding to their needs. Careful planning means that we will deliver on time and within your given budget. Our hand picked designers are dedicated to your project from original consultation to finished scheme. We can make everything from personalized furniture to hand-printed window blinds.

The result is a piece of art work reflecting the owner and his/her individuality.

The key element to our philosophy is a simple one, to listen to the client and then create a solution that truly reflects their aspirations.
